

Programm

17.00-17.25 Julia Babski

AK Soppa, Goethe-Universität Frankfurt

Biological role of sRNAs in haloarchaea

17.25-17.50 Senada Nozinovic

AK Schwalbe, Goethe-Universität Frankfurt

Proton and phosphorus relax and talk about the RNA conformation

17.50-18.00 Break

18.00-18.25 Amit Arora

AK Süß, Goethe-Universität Frankfurt

Functional characterization of guanine rich sequences in untranslated regions of mRNA

18.25-18.50 Ute Förster

AK Wachtveitl, Goethe-Universität Frankfurt

Conformational dynamics of the tetracycline binding aptamer

Afterwards: PIZZA and BEER
