

Program

17.00-17.25 Martin Rudolph

AK Suess, TU Darmstadt

Inducible Gene Expression Systems in *S. coelicolor* by Means of
Synthetic Riboswitches

17.25-17.50 Björn Rotter

GenXPro GmbH, Frankfurt

Sequencing RNA as a Service: Applications, Methods & Bioinformatics

17.50-18.15 Filip Claes

AK Tjwa, Institute for Transfusion Medicine, Goethe-Universität Frankfurt

Combined actions of transcription factors promote lymphatic specificity and
lymphatic vessel growth via microRNAs

Pizza & Beer
